The Catholic Education Advisory Board

The Advisory Board is consultative to the Superintendent of Schools. The board consults in the area of finance, strategic planning, public relations, school matters, building and grounds, and communications. The Catholic Schools Office implements and evaluates the programs of the schools each year. Members of the board represent all regions where Catholic schools exist.

Standing Committees:

Nominating Committee

After the initial establishment of the Board, the nominating committee shall follow procedures for acquiring nominees for appointment to the Board.

Executive Committee

The officers of the Board and Superintendent of Schools shall comprise the Executive Committee.

Finance Committee

The Finance Committee shall review and advise with regard to all matters of a financial nature.

Marketing, Public Relations Development Committee

The Marketing, Public Relations Development Committee shall formulate, review, advise and monitor the marketing/public relation plan initiated for Catholic Schools.

Strategic Planning Committee

The Strategic Planning Committee will assist in formulating, review and update the plan for the Department of Catholic Schools Office on a yearly basis. The strategic plan for long-range planning will be initiated and will be presented to the Superintendent for review and approval prior to presenting the plan to the Bishop for final approval.
