# VIDEO COMPETITION

The Diocese of Memphis is hosting an #iGiveCatholic video competition. The participating organizations are encouraged to send us a short video about your organization and what you hope to raise funds for during the #iGiveCatholic Campaign.

Videos should be submitted by October 31 and a group of judges will choose the video that best tells the organization's story and need.

The winner will be featured on the Diocese of Memphis social media pages and the CDOM #iGiveCatholic website. This is extra exposure for you.

## RULES

- Your video must be 3 minutes or shorter.
- You need to tell your story to your audience: share your mission, state your need, and invite your audience to help you meet that need through #iGiveCatholic.
- Include the #iGiveCatholic Logo
- Videos must be submitted by October 31 to Allison Thron at [allison.thron@cc.cdom.org](mailto:allison.thron@cc.cdom.org)
- HUMOR is encouraged!
