Dear Pastors and Pastoral leaders,

As announced by Bishop Talley, we are partnered with MyCatholicWill.com to provide parishioners with an opportunity to protect their families by creating a Will for free while encouraging them to consider a legacy gift to our parishes and Catholic ministries.

To help you become familiar with this incredible resource that can help thousands in our flock, MyCatholicWill is hosting a zoom call for all parish pastors and/or administrators on September 3 at 1:30pm. I will forward the invitation to you later today.

This partnership is to be announced to your parish on the weekend of September 6-7. For your parish to generate maximum participation and benefit from this service we are asking that you:

1. Include one of the attached bulletin graphics in your weekly bulletin starting on September 6-7 continuing weekly thereafter.
2. Pastors should read the announcement provided in on September 6-7 and at least once every month thereafter

Thank you for your leadership in extending this essential resource to the faithful of our Diocese.

God Bless,

Allison Thron  
Assistant Director of Development
