

# STEWARDSHIP OF TREASURE

Stewardship of treasure means using our  
money and possessions in ways that  
honor God and help others.

We thank God for all we have by giving the church  
and to those less fortunate.

Our clothes, toys, money, games, etc are our  
treasures, when someone else needs the gifts we  
have, do we share with them?

The Eucharist is the greatest gift we receive—and it teaches us to live with gratitude, generosity, and love through stewardship.
