

# STEWARDSHIP OF TALENT

Stewardship of talent means using  
our abilities and skills to serve God  
and help others.

You can help others by doing what you are good at.

What are you good at?

Are you good at cleaning your room?

Are you good at playing with little kids?

Are you good at helping someone who is sick?

Are you a good singer?

Do you like to cook?

We thank God by  
using our talents with  
love and joy in service  
of others.
