

STEWARDSHIP

A way of life

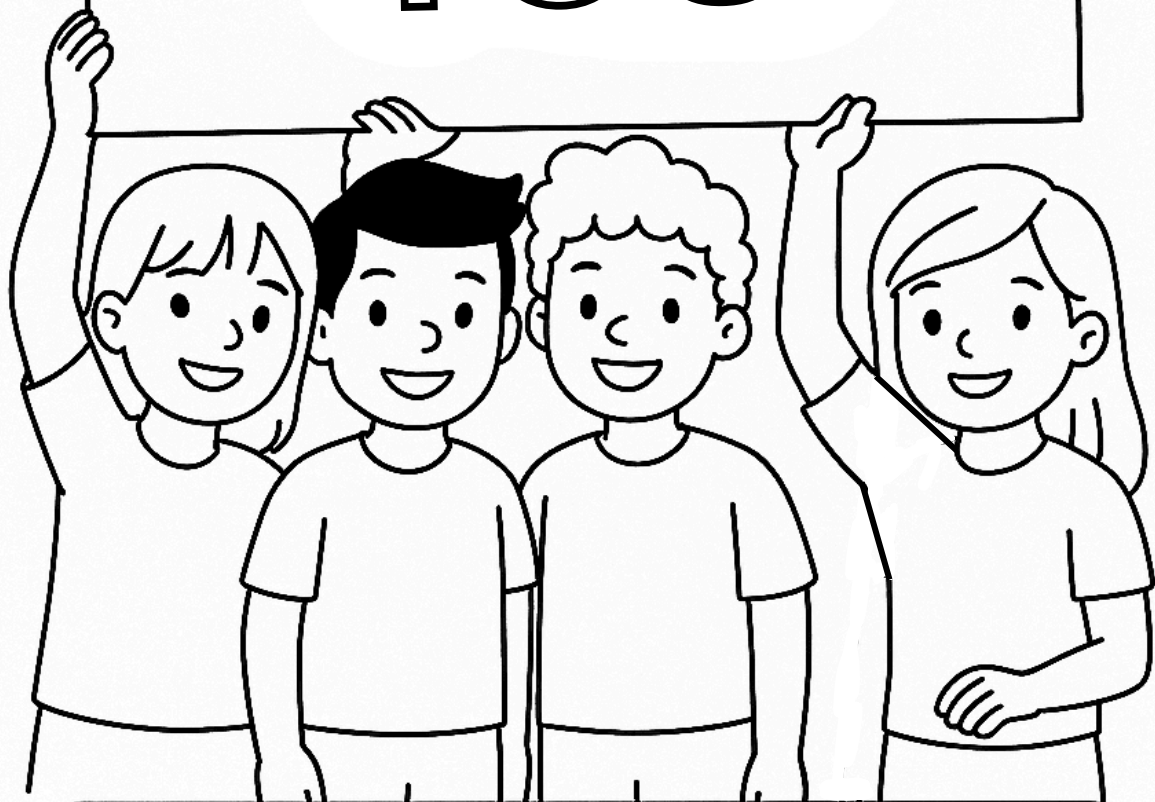

Everything we have comes from God. He gives us important gifts like the time in our lives, the talents we are good at and the treasure we have from the work we are able to do.

When we use these gifts the best way we can then we are giving thanks to God for them. This makes us good stewards. Being a good steward of God's gifts makes us disciples of God.

Your family and friends, the good food you eat, the home you live in are all gifts from God. God has blessed you with these gifts. God loves you. How can you thank God for all everything you have?

THANK YOU

When someone gives us a gift or does something nice for us, we say thank you. Being a good steward is saying thank you to God for all the good things he has given us and using that gift to give Him glory.
