*Offer valid March 1 - May 31, 2026; requires 3 year service agreement; applies to new service agreements only; does not apply to AED direct purchase.

**For use exclusively with the ZOLL AED 3; Repositioning the pads and activating the Child Mode on the ZOLL AED 3, CPR Uni-padz can be used to treat child patients 8 years of age or younger or under 25 kg (55 lbs.). Customer is solely responsible for conducting its own risk or hazard analysis, for obtaining regulatory guidance, and for choosing the type and number of AEDs needed and the placement of those AEDs at Customer's facilities. Any services provided by Cintas are limited to those explicitly contracted for by Customer. If Customer has entered into a service or maintenance agreement with Cintas, Customer is responsible for notifying Cintas of any faults, alarms, or indications that the AED is not functioning properly between Cintas's periodic service or maintenance visits. Customer is responsible for ensuring compliance with all applicable laws and, if necessary, must obtain a prescription for the AEDs, ensure the AEDs are subject to medical oversight, and take all other necessary steps to comply with applicable law. Cintas is not a health-care provider and does not issue prescriptions, provide medical oversight, or provide other related healthcare or medical services. Rather, if explicitly contracted for by Customer, Customer receives access to a third-party who can provide a prescription for the AEDs, provide medical oversight, register the AEDs with local EMS, and provide Customer access to the third-party's online software portal.

Dear Administrator,

We are pleased to announce that **Catholic Purchasing Services** has partnered with Cintas as a national supplier for your AED, First Aid & Safety needs. Cintas offers a variety of solutions to help improve your facility's image, keep you safe, and save time and money. Over the next couple of weeks, a Cintas representative will contact you to discuss the new AED, First Aid & Safety program and how it can benefit your facilities.

Some of the Products Offered: AEDs, AED Replacement Batteries & Pads, Bandages, First Aid Supplies, Personal Protective Equipment, Water Filtration Systems, CPR and other Training, Eyewash Stations. Cintas also provides several additional products and services to help you maintain a safe and productive environment for employees and visitors alike.

Who Qualifies?

Membership to Catholic Purchasing Services is extended to the following:

All 501(c)(3) Non-Profit Religious Institutions:

- Diocesan Offices
- Churches/Houses of Worship
- Seminaries
- Nursing Homes
- Retreat Centers

All 501(c)(3) Non-Profit Educational Organizations:

- Catholic Schools-Pre-K-12 plus Higher Ed
- Any Faith-based School, Pre-K-12
- Private and Charter Schools, Pre-K-12

How The Service Works

- **Current Cintas First Aid Users** - The pricing for your First Aid and Safety program will automatically be reduced to the negotiated Catholic Purchasing Services National Pricing (no other changes to your current program).
- **New Users** - A local Cintas representative will contact you to evaluate your first aid needs including first aid products, and training. Ask to speak with the representative familiar with the Catholic Purchasing Services National Program (Cintas' longstanding service record and negotiated pricing, should prove beneficial to your respective sites).

FAQs

What if I already have an AED? - Cintas Managed AED programs are only available on Cintas-approved models. However, Cintas can assess your AED and recommend the available service options.

What if I already have a first aid cabinet? - Cintas can restock their supplies in any acceptable first aid cabinet. If you have another company's first aid cabinet, Cintas will utilize your current first aid supplies till they are depleted or expired.
